help when you need it most

Your very own Personal Health Advisor is only a phone call away, 24-hours a day, every day of the year.

Whether you need medical assistance or health advice, our experts can give you advice on issues:

- basic CPR;
- dealing with chronic conditions;
- advice on medication;
- ensuring that you and your family lead a healthier lifestyle.

STAY healthy. STAY happy AND STAY IN TOUCH

Expires end April 2011

This service is offered in most of the official languages
