

LOVE BUG

MAKE A PRETTY VALENTINE'S DAY GIFT FOR SOMEONE SPECIAL.

WHAT YOU'LL NEED

- Glue stick
- Sheets of coloured paper
- Empty toilet roll
- Crayons or Kokis
- Glitter
- Scissors
- Ribbon

HOW TO DO IT

1 Using glue and a sheet of coloured paper, cover the toilet roll.

2 Use the crayons or Kokis to draw a face on the top part of the butterfly's body.

3 Spread glue in shapes around the body, except for the face, and then sprinkle with glitter so the shapes shimmer.

4 Cut out two hearts of different sizes, using different coloured paper.

5 Attach the hearts to the back of the body, to form the wings. Then decorate them.

6 Write a message on the inside of one of the wings.

7 Make a small hole in the middle of the wings. Thread a piece of ribbon through it and tie a small knot so it can hang.
